Q & A for Medicare

Q: What is a Medicare?

A: Medicare is the federal health insurance program for:

- People who are 65 or older
- Certain younger people with disabilities
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant, sometimes called ESRD)

Q: What are the parts of Medicare?

A: Medicare Part A (Hospital Insurance)

Part A covers inpatient hospital stays, care in a skilled nursing facility, hospice care, and some home health care.

Medicare Part B (Medical Insurance)

Part B covers certain doctors' services, outpatient care, medical supplies, and preventive services.

Medicare Part D (prescription drug coverage)

Helps cover the cost of prescription drugs (including many recommended shots or vaccines).
